1 OFFICIAL AUTHORITY REGULATIONS

(1) Objective

The purpose of this regulation is to clarify the authority and responsibility for business execution of the company.

(2) Definition

This regulation consists of the following clauses and the Official Authority Table. The duties of each department and the process of decision-making shall be as stipulated in the Official Authority Table.

(3) Delegation of Authority

1. In case that the person who has the authority is absent, his/her superior may exercise the authority on behalf of the person.
2. A written approval of A3 shall be required to delegate the authority of persons under the position of A4 or below.
An approval of the Board of Directors Meeting shall be required to delegate the authority of A3.
The content of the authority to be delegated, and the name and position of the person to whom the authority is to be delegated shall be specified in the approval application.

(4) Definition of Organisation and Positions/ Titles

A unified three-layer hierarchy—Function, Department, and Unit—will be adopted across the MOLCT Group to ensure consistency and clarity in organizational structure.

1. **Function:** These are the core components of our business, each managed by dedicated Executive Officers who ensure strategic alignment and operational effectiveness
2. **Department:** Departments will execute the activities of their respective functions, led by a "Head of Department" who holds the relevant authority for approval within MCTSPR, irrespective of their legal entity affiliation.
3. **Unit:** Units, as sub-components of Functions or Departments, will be led by a "Leader," focusing on specific operational tasks and objectives.

MCTSPR OFFICIAL AUTHORITY Regulations

LEVEL	JOB POSITION	JOB ROLE
Leadership	Chief Executive Officer (“CEO”)	CEO is to manage and chair the Board of Directors of the company, to act as the top management of the company, to implement company policies and to develop and execute the company’s business strategies.
Function	Function Head: Executive Officer (“EO”)	This position is responsible for overseeing a function, ensuring alignment with the company's strategic goals.
Director	Director: Global / Regional Director	Directors are delegated authority from Executive Officers to manage entire functions or parts thereof. They have the eligibility to exercise Executive Officer authority when delegated.
Department	Department Head: Head of Department (“HOD”)	This role involves managing a department, with authority to make significant operational decisions.
	Chief Specialist	This role supports the Head of Department, with delegated authority to perform departmental duties and facilitate operational excellence.
Unit	Unit Lead: Leader	This title is designated for individuals leading a unit, focusing on specific operational objectives.
	Senior Staff	Other Staff is to execute the duties under the supervision of the Leader.
	Staff	
	Entry Staff / Assistant
